Terms and Conditions

By using the Price-Monitor.com website and Price-Monitor services, you agree that you are bound by the following terms and conditions ("Term and Conditions"). Price-Monitor reserves the right to regularly update and change the terms and conditions. All new features and the release of new tools and resources are subject to the Terms of Use. Continued use of the Service after such changes confirms your acceptance of such changes. You can check the latest version of the terms and conditions. Failure to comply with any of the following conditions will result in termination of your account. While Price-Monitor prohibit such conduct and such Content for the Service, you agree that 3 goals are not responsible for the content posted on the Services, and you may still be exposed to such materials. You agree to use the Customer APIs at your own risk.

Account Conditions

You must be at least 18 years old to use these Cutomer APIs. You have to be a human. Automated methods are not allowed. You must provide your legal full name, valid e-mail address, and other requested information to complete the registration process. Your login can only be used by one person, a personal login shared by more than one person is not allowed. You can create separate signups for as many people as your plan allows. You are responsible for ensuring the security of your account and password. Price-Monitor is not liable for any loss or damage caused by non-compliance with this safety obligation. You are responsible for all content and activity that occurs under your account (even if content from other users is posted to accounts under your account). A person or entity may not have more than one free account. You may not use the Cutomer APIs for any illegal or unauthorized purpose. You must not violate any laws in your country when using the Service (including, but not limited to, copyright laws).

API conditions

Customers can access their 3-destination account information via an API (Application Program Interface). Any use of the API-specific Terms: You expressly understand and agree that the following are not liable for direct, indirect, incidental, special, consequential, or

example damages, including, but not limited to, damages for lost profits, goodwill, usage, data or other non-material damages (even if 3 objectives have been pointed to the possibility of such damages). Abuse or excessive requests to Price-Monitor through the API may cause your account's access to the API to be suspended temporarily or permanently. 3Offer decides in its sole discretion about misuse or overuse of the API. Price-Monitor will make a reasonable attempt by e-mail to notify the Account Holder prior to suspension. Price-Monitor reserves the right to change or suspend your access to the API (or any part of it) temporarily or permanently.

Payment, Refund, Upgrade and Downgrade Terms

A valid credit card is required to pay for accounts. Specifying a credit card number does not require free accounts. If you first sign up for a Basic, Premium or Enterprise account and do not cancel the account within 30 days, you will be billed monthly from the 30th day after you create your account. If you cancel before processing your first bill on the 30th day, you will not be charged. Upgrading from the free 1 project plan to any payment plan ends your free trial. The first month will be charged immediately after the upgrade. The service is charged monthly in advance and is non-refundable. There are no refunds or credits for partial months of service, upgrade / downgrade refunds, or refunds for months that are not used with an open account. In order to treat everyone equally, no exceptions are made. All fees exclude all taxes, duties or charges imposed by the tax authorities, and you are responsible for the payment of all such taxes, duties or charges, except for US (federal or state) taxes only. Each time you upgrade or downgrade at the plan level, your credit card that you have specified will automatically be charged the new price on your next billing cycle. Downgrading your service may result in the loss of content, features or capabilities of your account. Price-Monitor accepts no liability for this loss.

Cancellation and termination

You are solely responsible for the proper cancellation of your account. An email or telephone request to cancel your account is not considered a cancellation. You can cancel your account at any time by clicking the Account link at the top of the global navigation bar. The account window contains a simple link to confirm the cancellation. All your content will be immediately deleted from the Cutomer APIs upon

termination. This information can not be recovered when your account is terminated. If you cancel the service before the end of the current month, your termination will take effect immediately and you will not be charged again. Price-Monitor has the right, at its sole discretion, to suspend or terminate your account and to refuse any use of the Service or any other 3-Use Service at any time for any reason whatsoever. Termination of the Customer APIs will result in the deactivation or deletion of your account or access to your account, and forfeiture and waiver of all content in your account. Price-Monitor reserves the right to refuse service for any reason whatsoever.

Changes to service and prices

Price-Monitor reserves the right, at any time and from time to time, to change the service temporarily or permanently.
